

Ugly Duckling, Fresh Mode

ANDYCAT: Well my name is Andy C and I can guarantee
That if you wanna be down, then down is where I'll be
I'm on Fresh Mode, I rock Fresh Mode,
I rap Fresh Mode, I'm on Fresh Mode!

DIZZY: And I'm Dizzy Dustin, bustin, that's my trade
And all you sucka alligators gotta get soufled
I'm on Fresh Mode, I'm on Fresh Mode,
I'm on Fresh Mode, I'm on Fresh Mode,

ANDYCAT: Hey, let me plummet from the summit to the scene as bactine
To clean away the rotten bacon fakin sizzling
I wanna make your feelings cool, let's get you a towel
With a style, I keep it fresh like a produce aisle
What's up to the guys with especially you ladies
If it's jiggling baby, then go ahead maybe

DIZZY: Rock

ANDYCAT: To the

DIZZY: Rhythm

ANDYCAT: To the

DIZZY: Roll

ANDYCAT: To the

DIZZY: Rap

People stand in line when my rhymes are on tap
They color me fresh with the flesh crayon
And if it doesn't stay on, I got a can of spray on
So you can see how top choice we get

ANDYCAT: Yo man I come fresher than a moist toilette

Now some of these players play mister big salami

But truth be told, they're fold like origami

And cease to make moves cause they get stuck in the tarpit

When they try to spill shame on my stain resistant carpet

In combat, I'm a diving wombat

When I'm locked in, I'm a rugrat, well get on that

DIZZY: I adjust my birdsight to terminate a termite

And torpedo a mosquito cause I hate a bugbite

I put the dark vibes in the archives to stay

ANDYCAT: Why?

DIZZY: I'm done feeling drowsy and lousy today

And if you feel the same way,

Come check us at a spot with no dress code

We're on Fresh Mode
