Ultimate Fakebook, Having Too Much Fun

I know you didn't call, but maybe you wanted to You probably figured so what, it's late and we can fight another night I miss you a ton and I doubt you know I still don't like to be away too long

But still, when I call you it just feels all wrong, cause if I try to talk...

Well, I'm still the one who's gone, still the one who's gone Feels like I'm having too much fun And I'm still the one who's gone, still the one who's gone Feels like I'm having too much fun

I know you didn't call, but maybe the thought scared you You figured I'm with someone else now and you don't wanna die tonight But I wish you would call me I'd tell you how I want so much for you to come along

And I will when I call you I just feel so lost, cause if I tell it all...

Well, I'm still the one who's gone, still the one who's gone Feels like I'm having too much fun And I'm still the one who's gone, still the one who's gone Feels like I'm having too much fun

I thought I'd find out while I dove but now I know I don't wanna have it all if I'm gonna feel so alone
