

Uniting Nations, You And Me

You and me...

If I gave you my loving
would you take it
If I opened your heart
would you turn the key
'cause I knew from the start
baby we could make it
we could make it together
you and me

If I gave you my loving
would you take it
If I opened your heart
would you turn the key
'cause I knew from the start
baby we could make it
we could make it together
you and me

Yeah, you and me
you and me,
you and me,
yeah,

If I gave you my loving,
If I gave you my loving,
yeah,
you and me,
you and me,
whoa-ohoa..

If I gave you my loving
would you take it
If I opened your heart
would you turn the key
'cause I knew from the start
baby we could make it
we could make it together
you and me

If I gave you my loving
would you take it
If I opened your heart
would you turn the key
'cause I knew from the start
baby we could make it
we could make it together
you and me
whoa-ohoa..
whoa-ohoa..
whoa-ohoa.....
yeah,
gave you, gave you, g....ave,

If I gave you my loving
would you take it
If I opened your heart
would you turn the key
'cause I knew from the start
baby we could make it
we could make it together
