## Uniting Nations, You And Me

You and me... If I gave you my loving would you take it If I opened your heart would you turn the key 'cause I knew from the start baby we could make it we could make it together you and me If I gave you my loving would you take it If I opened your heart would you turn the key 'cause I knew from the start baby we could make it we could make it together you and me

Yeah, you and me you and me, you and me, yeah,

If I gave you my loving,
If I gave you my loving,
yeah,
you and me,
you and me,
whoa-ohoa..
If I gave you my loving
would you take it
If I opened your heart
would you turn the key
'cause I knew from the start
baby we could make it
we could make it together
you and me

If I gave you my loving would you take it
If I opened your heart would you turn the key 'cause I knew from the start baby we could make it we could make it together you and me whoa-ohoa... whoa-ohoa... whoa-ohoa.......... yeah, gave you, gave you, g....ave,

If I gave you my loving would you take it If I opened your heart would you turn the key 'cause I knew from the start baby we could make it we could make it together you and me

If I gave you my loving would you take it If I opened your heart

would you turn the key 'cause I knew from the start baby we could make it we could make it together you and me
