

# Unklejam, Stereo

Oh oh yeah  
Oh yeah yeah

I-I-I-I got a special walk, everybody stare  
I-I-I-I got a way with words, are you listening?

(Come on, come on)  
We gotta please your imagination  
(Come on, come on)  
The only sound is our own creation

Can you hear me on your stereo, stereo  
Pumpin on your stereo, stereo
