## Unleashed, The General

Up he rose & Deprise the samp; forth they went linto the battleground, fortress, tent Mountains, wilderness, fielsd & Deprise the soldier & Deprise the general arm in arm

Off they ride Side by side

" Through the travail of ages Midst the pomp & Damp; toils of war Have I fought, strove and perished Countless times under the stars As it through a glass and darkly The ageal stripe I see I fought in many guises, many names But it was always me... & Quot;

Off they ride Side by side

I was there in... Lived & amp; died...

So up he rose & Damp; forth they went Into the battleground, fortress, tent Mountains, wilderness, fielsd & Damp; farm The soldier & Damp; the general arm in arm

Off they ride Side by side
