

UnSuNg ZeRoS, Sixty Minutes

it always seems that when I
need something
there's something to sing about
life throws curves
and for that I'm happy no doubt
Christmas is gone
and summer is over
there's no longer time for a break
but make no mistake
make no mistake
I can't wait for tomorrow
I'm in love with the thought
that no matter what happens
an hour from now
no one know's how for sure it works
can CAN you WAIT
now give it a minute to think
there's so much to live for
there's a reason to breath
every time i wake up in the morning
I'm fraught with anxiety
broken dreams
scare me so I cannot sleep
but I've seen the light
and put fear aside
so I can go on with my day
cause you never know
what might come my way
