

# UnSuNg ZeRoS, Tonight

Stood on top of the world  
New York city high above the streets below  
where no one was around  
from up here it seems  
that time has gone and stopped  
and I cannot believe the world's  
still spinning round

Have you ever  
wanted to be king  
well I don't think I  
ever have been  
so close to that feeling  
standing between  
the earth and the sky  
well I wont ever forget tonight  
I won't ever forget  
tonight tonight tonight  
tonight tonight tonight

saw snow for the first time  
watched it come down white and cold  
covering up all that i could see  
I've been waiting for this moment  
since I was a child  
and now it's finally happening to me

Have you ever  
wanted to be king  
well I don't think I  
ever have been  
so close to that feeling  
standing between  
the earth and the sky  
well I wont ever forget tonight  
I won't ever forget  
tonight tonight tonight  
tonight tonight tonight  
tonight
