

# Unwritten Law, Geronimo

Don't wanna think about it anymore  
Lying curled and naked on the floor  
And I don't wanna hear those words you say  
What were they anyway

[chorus]  
Oh-oh-oh  
Oh-oh-oh  
So here I go (so here I go)  
Oh-oh-oh  
Oh-oh-oh  
Geronimo

Don't wanna get up out of bed today  
It seems much hard than was yesterday  
And I don't wanna hear those words you say  
What were they anyway  
What were they anyway

[2 choruses]

Geronimo!

Let's leave today a  
And forget everything  
Can't really take this place  
So what you say

Lets leave it all behind  
And don't look back  
We won't rewind this time  
Let's get away  
[2 choruses]
