

# Up Dharma Down, Maybe

Maybe I should sleep it off  
Maybe I should let loose  
When I see for myself that  
I can't take it anymore  
I just runaway

Maybe, maybe, maybe  
Maybe, maybe, maybe

And when I've come so far  
From where I used to be  
And I see you standing there  
See you standing there  
I start to want you here with me

Maybe, maybe, maybe  
Maybe yes or no  
Should I stay or should I go  
Maybe, maybe, maybe
