

Urge, All Washed Up

take a look don't you know i don't care about you
not a one thing you won't do
to get attention from the ones who ignore
now don't cast all your friends away
there's only one thing i can say
hey man you're sick and rotten to the core

hey you're all washed up
would you please shut up
take a walk that way
hey you're all washed up
would you please shut up
take a walk that way

take a look pay attention to the words i say
so little time for you to get away
run to the door in a panicked fury of fear
no hope cause you'll never get the message anyway
thry let you in so your gonna stay
but beware of my boot and a bottle of beer

hey you're all washed up
would you please shut up
take a walk that way
hey you're all washed up
would you please shut up
take a walk that way

mr. mr. you make me sick
i ain't gonna fall for that same old trick
won't you turn around and take a trip back
to the other side of town you drip buttercup

get out of my face and shut the fuck up
no business cards or that fake ass stuff
bouncer's on your ass so you better hurry up

take a look don't you know i don't care about you
not a one thing you won't do
to get attention from the ones who ignore
now don't cast all your friends away
there's only one thing i can say
hey man you're sick and rotten to the core

hey you're all washed up
would you please shut up
take a walk that way
hey you're all washed up
would you please shut up
take a walk that way
