

Urge, Girl, Youll Be A Women Soon

Girl, you'll be a women soon

I love you so much, can't count all the ways
I've died for you girl and all they can say is
"He's not your kind";
They never get tired of putting me down
And I'll never know when I come around
What I'm gonna find - Don't let them make up your mind
Don't you know...

CHORUS:

Girl, you'll be a wome soon
Please, come take my hand
Girl, you'll be a women soon
Soon, you'll need a man

I've been misunderstood for all my life
But what they're saying girl it cuts like a knife
"The boy's no good";
Well, I've finally found what I'm looking for
But if they get their chance they'll end it for sure
Surely would - Baby I've done all I could
Now, It's up to you...

CHORUS (x2)
