Urge, Girl, Youll Be A Women Soon

Girl, you'll be a women soon

I love you so much, can't count all the ways I've died for you girl and all they can say is "He's not your kind".
They never get tired of putting me down And I'll never know when I come around What I'm gonna find - Don't let them make up your mind Don't you know...

CHORUS:

Girl, you'll be a wome soon Please, come take my hand Girl, you'll be a women soon Soon, you'll need a man

I've been misunderstood for all my life But what they're saying girl it cuts like a knife "The boy's no good" Well, I've finally found what I'm looking for But if they get their chance they'll end it for sure Surely would - Baby I've done all I could Now, It's up to you...

CHORUS (x2)
