

Urge Overkill, 76 Ball

On a night like this I found Miss Celine
On a freeway to bliss it's a guarantee
Take a ride like this I've got what you need
Guaranteed

There's a chill in the spine now

76 ball

It's all turning round

I hope I'm coming down

Take a ride like this I've got what you need

On a freeway to bliss it's a guarantee
