Uriah Heep, Been Hurt (B-Side To Carry On)

At the age of eighteen
I had had enough
And by twenty-one
I decided to get tough
And then I found the door
??????

And I've been hurt Ever since that day

I've been hurt

And I've lost my way

I still think I have a chance

To find your love

Well, I tried to love you

One day at a time

Each day waiting, hoping for the sign

It was clear I needed luck

More than this time

And I've been hurt

Ever since that day

I've been hurt

Well, I've lost my way

I still think I have a chance

To make you mine

My empty heart is

Counting all the ways

Fire and desire

Sat and count days

Will you, won't you

When and where

Do you, don't you, do I care

That same eternal question

Is always there

It's always there
