

Uriah Heep, Dream On (Being In Love)

Been traveling this road for so long
My eyes are tired but I carry on
The sun lays down its golden threads
I need a place to rest my head
Although I am far from home now
My soul's with you
It's hard to be out here on my own
So far away so far from home
I need to touch and feel your skin
To live this dream in sleep again
Although I am far from home now
My soul's with you
So dream on dream on freedom comes with
Timeless sleep
Dream on dream on
In the arms of night your silent shadow
Gently speaks
Dream on dream on
This hotel room's a lonely place
It's a one night cell I must escape
So I drink away my loneliness
So I can sleep and dream again
Although I am far from home now
My soul's with you
So dream on dream on freedom comes with
Timeless sleep
Dream on dream on
In the arms of night your silent shadow
Gently speaks
Dream on dream on
And as I fall into the darkness of the night
You come to rescue me, to shield me
In your light
I feel your touch, the softness of your skin
You hold me close before the day breaks in
This dream's so true my heart it beats, it beats
It beats for you, for you
Although I am far from home now
My soul's with you
So dream on dream on freedom comes with
Timeless sleep
Dream on dream on
In the arms of night your silent shadow
Gently speaks
So dream on dream on
Dream on dream on
So dream on dream on
Dream on
