Usher, Dat girl

I been from shorty to shorty From the nice girls to naughty ones Coming up short straning my throat Trying tell them just what I want Then I saw youuuuuuuuu and I new you wasent Playing no hey hey I I I forgot all the Skinny model chicks were [?] check it When I did it they get it they try to flip it For me to hit it but I only want youuuuuuu And girl I ain't even playing no hey I said You (You the only one I want)ay bay bay (You the only one I need) you (You the only one I see)I said you (Girl bring it all to me)you (The only one with you)you (The only to be with)you (The only one I wanna kiss) you (Girl bring it all to me) [Chorus:] That girl right there with the big Door nobbie earings on That girl right there with her Stomach all out she got me gone That girl with the lip tatoo That girl right there (that girl right there) I need you right here (I need you right here) That girl right there there there There right there There right there No no no There tight there I I all these diamonds all up in this watch but I'm looking at you? wined it up knowing that you Can't keep it hot just the tatoo right above yo Butt? my rides right outsdie looking so cold(come see it girl)I know you know but you don't wanna I (You the only one I want)ay bay bay (You the only one I need) you (You the only one I see) said you (Girl bring it all to me)you (The only one with you)you (The only to be with)you (The only one I wanna kiss) you (Girl bring it all to me) [Chorus:] That girl right there with the big Door nobble earings on That girl right there with her Stomach all out she got me gone That girl with the lip tatoo That girl right there (that girl right there) I need you right here (I need you right here) That girl right there there there There right there (ay bay bay) There right there (I'm in club hollering) There tight there (ay bay bay) [Ludacris:] Say lil momma what it do I got no Time for no faking so let me get Up in it cause I'm a beast with it I can hit it from the side to the Back you gonna have to really Get on my level cause I'm a freak With it and shes filling the way my plaques hang put you in this range? you with kane? h.u double

R to the caine beat it out the frame you already Know my name while we doing our Thing you all over the sheets in the jeep as we freak To the beat like that I'm the best in the game Whoever gor a problem you can holla we can Put a hundred stacks on that you can ride In the jeep or the drop the drop go fast Tell them other duded that I'm passed I beatr it iut the frame like bang bang bang hit it Until she tell me she about to go insane. (You the only one I want)ay bay bay (You the only one I need) you (You the only one I see) said you (Girl bring it all to me)you (The only one with you)you (The only to be with)you (The only one I wanna kiss) you (Girl bring it all to me)
