

Usher, Heavy

(...TALKiN AT DA START...)

VERSE 1:

Living the life i live
i had to grow up quik so I
became my man instantly
accepted the responsibilities
even ma name in lights
curtain goes up and i kno all eyes are on me
and the world dnt stop
when i get home
i gotta satisfy her needs and its so heavy

CHORUS:

Feels like the weight of the worlds on ma shoulda
sometimes i wanna run away but its so heavy
everyday it gets harder the pressure
but i gotta do what i gotta do baby

VERSE:

What should i say to her
When i kno shes hurt
but i was raised to be a man to find
do everything i can to survive
But i hate that i miss christmas (with my family)
Wasnt there for a valentines kiss(for my baby)
but i cant replace lost tyme
noo but cant u see baby im trying
but its heavy

CHORUS:

Feels like the weight of the worlds on ma shoulda
sometimes i wanna run away but its so heavy
everyday it gets harder the pressure
but i gotta do what i gotta do baby x2
