

# Usher, I Need A Girl

[P. Diddy]

Yeah, Yeah

I need a, I want a

[Usher]

I need a girl to ride, ride, ride

I need a girl to make my wife

I need a girl who's mine oh mine

I need a girl in my life

[P. Diddy]

Yo, I'm internationally known on the microphone

I got it all, but I really need a wife at home

I don't really like the zone, never spend the night alone

I got a few, you would like to bone

But, chicks don't romance me, don't tickle my fancy

Only Tiffany, Nancy; that's not what my plans be

I need a girl that could stand me, raise me a family

Go to trips at the Lancy, trip to the Grammy's cause

Most of these girls be confusin me

I don't know if they really love me or they usin me

Maybe its the money, or maybe you ain't used to me

Cause you was depressed and now you abusin me

That's why I need mea girl that be true to me

Know bout the game, and know how to do to me

Without a girl on my side, shit It ruin me

Forget the world girl, it's you and me

[P. Diddy & Usher]

let's ride.....

[Chorus: Usher]

I need a girl to ride, ride, ride

I need a girl to make my wife

I need a girl who's mine oh mine

I need a girl in my life

I need a girl to ride, ride, ride

I need a girl to be my wife

Nobody else cuz she's all mine

I need a girl in my life

[Loon]

Yo, now I have had a lot of women in my lifetime

But see it's not a lot of women that got the right mind

I done had pretty chicks with all the right features

And hoodrat chicks that only rock sneakers

Cellphones and beepers, and know how to treat ya

You break her heart, she'll walk out and leave ya

I find a girl, I'ma keep her

Cuz now I'm gettin money and the game gettin deeper

I want some real shit, I need somebody I can chill with

I need somebody I can build with

I need somebody I can hold tight

In the wintertime, full mink, snow white

Anytime we together would feel so right

You the girl I been lookin for my whole life

God blessed me, I'm glad I got the insight

Because of you girl, now I understand life

[p diddy & Usher]

I need a girl...

[Chorus : Usher]

I need a girl to ride, ride, ride

I need a girl to make my wife

I need a girl who's mine oh mine

I need a girl in my life

I need a girl to ride, ride, ride

I need a girl to be my wife

Nobody else cuz she's all mine

I need a girl in my life

[P. Diddy]

I had a girl that would've died for me  
Didn't appreciate her so I made her cry for me  
Every night she had tears in her eyes for me  
Quarter K's, shorty took the whole ride for me  
First we were friends then became lovers  
You was more than my girl, we was like brothers  
All night we would play fight under covers  
Now you gone, can't love you like I really wanna  
But everytime I think about your pretty smile  
And how we used to drive the whole city wild  
Damn I wish you would've had my child  
A pretty little girl wit Diddy's style  
This shit is wild  
All dem days that I reminisce  
About the way I use to kiss dem pretty lips  
But as long as you happy, I'ma tell you this  
I love you girl and you're the one that I will always miss

[Chorus : Usher]

I need a girl to ride, ride, ride  
I need a girl to make my wife  
I need a girl who's mine oh mine  
I need a girl in my life  
I need a girl to ride, ride, ride  
I need a girl to be my wife  
Nobody else cuz she's all mine  
I need a girl in my life  
I need a girl to ride, ride, ride  
I need a girl to make my wife  
I need a girl who's mine oh mine  
I need a girl in my life  
I need a girl to ride, ride, ride  
I need a girl to be my wife  
Nobody else cuz she's all mine  
I need a girl in my life  
I need a girl to ride, ride, ride  
I need a girl to make my wife  
I need a girl who's mine oh mine  
I need a girl in my life  
I need a girl to ride, ride, ride  
I need a girl to be my wife  
Nobody else cuz she's all mine  
I need a girl in my life
