

Usher, Just A Friend

i wanna know your name and
and i wanna know if u gotta man
i wanna know
i wanna know everything
i wanna know your number and if i can come over and
i wanna know what u like
i wanna know so i could do it all night
but u tellin me i'm just a friend
steding tellin me i'm just a friend

ooh baby u
u got what i need
but u say i'm just a friend
but u say i'm just a friend
ooh baby u
u got what i need
but u say i'm just a friend
but u say i'm just a friend
ooh baby u

i wanna know u in and out
i wanna know what your all about
i wanna know
i wanna know what makes u laugh
i wanna know about your past
i wanna know how u move
i wanna know so i could move too
i wanna know
but u telling me i'm just a friend
stop telling me i'm just a friend

ooh baby u
u got what i need
but u say i'm just a friend
but u say i'm just a friend
ooh baby u
u got what i need

but u say i'm just a friend
but u say i'm just a friend
ooh baby u
u got what i need
but u say i'm just a friend
but u say i'm just a friend
ooh baby u
u got what i need
but u say i'm just a friend
but u say i'm just a friend
gurl i want u to see
what u mean to me
and i want u to know
that i really need your fortune
and i gotta understand it
i wanna be your man
but why can't u be more than a friend to me
ooh baby u
u got what i need
but u say i'm just a friend
but u say i'm just a friend
ooh baby u
u got what i need
but u say i'm just a friend
but u say i'm just a friend

ooh baby u
u got what i need
u got it
what i like and
u say i'm just a friend
but u say i'm just a friend
ooh baby u
u got what i need
but u say i'm just a friend
but u say i'm just a friend
