

Usher, Pop Ya' Collar

Hello everybody
Welcome today...
to the wonderful world of (1 second pause)you!
Heh, heh
Now check it
You have 2 options
You can eat it
Or throw it away

(now Usher starts singing fast)

{VERSE 1:}

See it's a shame
that when your working on doin' well
people hate you
(yeah!)
Buying nothing less,
but the best for yourself.
And they really hate you
(yeah!)
You gotta' live for you
And no one else
Don't let them make you feel
like your not being real
Just live how you wanna' live(pause)
You gotta' do for you!

{Hook: }

(DIG THAT)
If you work hard, play hard
(Dig that!)
And do what you wanna' do
(Dig that!)
Just pop your collar
don't let what people say bother you!
(Dig that!)
You perpetrators, I got somethin' to say
(Dig that!)
You can eat it or throw it away
(Picture that!)
Your just mad 'cause your following in my track
so can you dig that

{CHORUS:}

Hey ladies
(Yeah)
Hey fellas
(Yeah!!!!)
You know your doing good
'cause their jealous
(PoP-pOp)

{Verse 2: }

You can see me every week, hanging out
With a different girl, sitting next to me
'Cause I'm not about to
settle in right now
I gotta be free!
Some of ya'll fellas might be jealous
But ya'll know that don't phase me!
I just pop my collar
Tip my hat
turn my back
On the ones that hated me

(Dig that!)
Never going home alone
(Dig that)
'Cause she calls and you know it's on
(Dig that!)
'She gets the pager, not the cellular phone
(Never that!)
I let her know I won't be around for long!
(dig that)
To all you haterz I got somein' to say
(What's that?)
You can eat it or throw it away
(Picture that!)
So stop hatin'
Wishin
Waitin'
Anticipating for my heat to fade
