

# Usher, Red Light

[talking:]

It's crazy  
I can't believe that you  
Would be the one to do  
Do me like you do  
Get back here baby

[verse 1]

Girl you let me  
Have my way and i was thinkin i could get it again  
Baby we could be friends if you're lonely (ssh)  
And you show me  
Just how quick your tires could spin  
You were off in the wind  
Tell me where did you go

[hook 1]

When you left (oh)  
I'm thinkin which way did she go  
I should have known that you would lead me on girl  
Im in the wind on cruise control  
I gotta be dreamin cuz i never felt like this before

[chorus]

It was supposed to be  
Just a one night  
In and out and im out the door  
But she's got me sittin here  
At the red light  
Drivin round lookin out for her

It was supposed to be  
Just a one night  
In and out and im out the door  
So why am i sittin here  
At the red light  
Drivin round lookin out for her  
Lookin out for her

[verse 2]

Now its rainin  
And i'm lookin over at the passenger side  
Thinkin back in my mind how you set me off  
She was stoppin and droppin me  
Switchin from fast to slow  
But that aint have nothing on how you got  
When i got you home

[hook 2]

When you left (oh)  
I'm thinkin which way did she go  
The way you touched yourself  
Had me up the wall  
Im in the wind on cruise control  
I'm searchin for you cuz i can't seem to let you go

[chorus]

[talking]

You know  
I really only thought  
That this would be a one night stand  
What you doin to me  
Come on

What you doin to me

[bridge]

Maybe (maybe)

She's runnin home to someone else (someone else)

Or maybe (or maybe)

She lost my number in her cell

(oooh babe)

(what you doin to me)

Or maybe (or maybe)

She's never done like this before

Cuz i cant see (can't see)

Her not comin back for more

More

[chorus 2X]
