i want to hold u, oh so tight
baby just touch me anywhere
cutie u turn me on (oh baby)
i like to run my fingers thru your hair
so come on and stay with me all night
(chorus)
i wanna rock witcha baby
all night long
i wanna roll witcha lady
the feeling so strong
i wanna rock witcha lady
all night long
rock n roll n roll n rock
makin' sweet lovin' dont u ever stop
