

Usher, Truth Hurts

[Intro]

Yeah umm

See its situations like this

That causes us players to get caught up

In umm the truth

Yeah

What you doing, where you been?

I paged you and you aint hit me back

I been callin and I know you see my number on that caller I.D.

Just listen to the words

[Verse 1]

I got reason to believe that youve been foolin around

The way you feel, the past you lived

The things you did

It dont matter to me

For what its worth just dont lie to me

Cause that aint what I need right now

Baby, everything we built on trust

Youre tearing it down

Cause I know the truth hurts {truth hurts}

[Chorus]

Tell me the truth now

What cha been doing and who

Ya been doing it with {truth hurts}

Where you been going and

How you been putting ya thing down {truth hurts}

Whatever youz was working I

Hope that it was worth it baby {truth hurts}

I got reason to believe that you been foolin around

[Verse 2]

Girl, Im really tryin hard to understand

I want to move on and put it in the past

Cause, you claim that you aint doin nothing

Must be my insecurities

Its got the best of me right now

What I know I cant hold it inside of me

Its gonna drive me insane

[Chorus]

Tell me the truth now

What cha been doing and who

Ya been doing it with {truth hurts}

Where you been going and

How you been putting ya thing down {truth hurts}

Whatever youz was working I

Hope that it was worth it baby {truth hurts}

I got reason to believe that you been foolin around

Bah bah bah bah baah

Bah bah bah bah baah

Bah bah bah bah baah

Bah bah bahbah

Sing it with me now

Bah bah bah bah baah

Bah bah bah bah baah

Bah bah bah bah baah

Bah bah bahbah

I cant hold on {truth hurts}

Now wait a minute

Oh, listen babe {truth hurts}

The truth is Ive got the secret
Ive been keeping from you baby
Cause I know that you
Will tear up the place
Punch me in my face
Pull the hot grits out
I think you need to sit down oh
I been blaming you
When I the one doing wrong
Im gonna go on
My guilty conscience
Is the real reason I wrote this song

[Chorus x2]

Tell me the truth now
What cha been doing and who
Ya been doing it with {truth hurts}
Where you been going and
How you been putting ya thing down {truth hurts}
Whatever youz was working I
Hope that it was worth it baby {truth hurts}
I got reason to believe that you been foolin around

Bah bah bah bah baah
Bah bah bah bah baah
