

# Usher, What's Your Name

Ey girl  
Ey ey ey girl  
Ey ey eh eh ey girl

Whats your name?  
Baby, whats your number?  
Coz girl you got me, you got a brother wondering if you wanna, meet me in the  
I can be your friend till the end- till the end

Girl, wassup  
Im going crazy  
Ey girl wassup  
Coz I wanna know if i can love ya  
Yo girl wassup  
Yo wont ya be my lady ah?  
Ey girl wassup  
I wanna know who you are  
Whats your name?  
I wanna know who you are  
Whats your name?  
I wanna know who you are and make you a star  
Girl, Im giving you everything coz my love is yours

Whats your name and number  
Damn your double deed  
Is making willie mumble (yo)  
Jilie jolies Im a rock ya like we get down  
Whats your digit,  
You put it in my phone  
Hit me when ur all alone  
U could call on me  
We'll flirt with technology girl

Girl, wassup  
Im going crazy  
Ey girl wassup  
Coz i wanna know if i can love ya  
Yo girl wassup  
Yo wont ya be my lady ah?  
Ey girl wassup  
I wanna know who you are  
Whats your name?  
I wanna know who you are  
Whats your name?  
I wanna know who you are and make you a star  
Girl, Im giving you everything coz my love is yours

Whats your name?  
Ye baby whats your number?  
Coz girl you got me, you got a brother wondering if you  
Wanna, hold me in your love  
I can be your friend till the end- till the end

But it shouldn't be a problem  
If I holla  
Como se llama  
Would you bother  
Write down this sonna  
Girl give me your last name

So we soul escapin babe  
Dont wanna float away  
Cause we got the light  
You be the ball and Ima be the chain

Booty (round and round and round)  
You got no where to go babe  
(Girl I didnt get you down)  
You didnt kno my name, Id create a new thing  
Let em paparazzi its a you and me thing  
But we can't do that thing til i kno your name
