

# Usher, Without U (Interlude)

Love, such a lonely place  
Nobody wants to be alone  
To have the world but no one to share it with

I am so alone  
and I can't stand this feeling of being without you  
Yes I'll do  
Whatever it takes to prove I truly love you baby dont  
Don't let me go and  
Let's stay together, forever and ever  
Can't sleep without you by my side, help me baby
