

# Usher, You Make Me Wanna (Tuff & Jam Dance

&lt;lyrics&gt;

This is what you do  
This is what you do  
This is what you do  
This is what you do.

Chorus:

You make me wanna leave the one I'm with to  
Start a new relationship with you  
This is what you do  
Think about her ring and all the things that come along with  
You make me  
You make me wanna leave the one I'm with  
Start a new relationship with you  
This is what you do  
Think about her ring and all the things that come along with  
You make me.  
You make me

Verse 1:

Before anything became between us  
You were like my best friend  
The one I used to run and talk to  
When me and my girl was having problems  
You used to say it would be okay  
Suggest little nice things I should do  
And when I go home at night and lay my head down  
All I seem to think about was you  
And how you make me wanna...

Chorus:

...Leave the one I'm with  
Start a new relationship with you  
This is what you do  
Think about her ring and all the things that come along with  
You make me  
You make me wanna leave the one I'm with  
Start a new relationship with you  
This is what you do  
Think about her ring and all the things that come along with  
You make me  
You make me.

Verse 2:

Now what's bad is you're the one that hooked us up  
Knowin' it should've been you  
What's sad is that I love her but I'm falling for you.  
What should I do?  
Should I tell my baby bye-bye?  
Should I do exactly what I feel inside?  
Cause I, I don't wanna go, don't need to stay  
But I really need to get it together.

Chorus:

You make me wanna leave the one I'm with  
Start a new relationship with you see what you do?  
This is what you do  
Think about her ring and all the things that come along with  
You make me you make me  
You make me wanna leave the one I'm with oh baby  
Start a new relationship with you this is what you do  
This is what you do  
Think about her ring and all the things that come along with  
You make me

You make me.

Verse 3:

At this point the situation's out of control  
I never meant to hurt her  
But I gotta let her go  
And she may not understand it  
Why all of this is going on  
I tried  
I tried to fight it  
But the feelin's just too strong.

Chorus:

You make me wanna leave the one I'm with see what you do?  
Start a new relationship with you  
This is what you do  
Think about a ring and all the things that come along with  
You make me  
You make me wanna leave the one I'm with oh baby  
Start a new relationship with you  
This is what you do  
Think about her and all the things that come along with  
You make me  
You make me. [x2]
