

# Utada Hikaru, Simple And Clean (Techno Remix)

When you walk away  
You don't hear me say please  
Oh baby, don't go  
Simple and clean is the way that you're making me feel tonight  
It's hard to let it go

You're giving me too many things  
Lately you're all I need  
You smiled at me and said,

Don't get me wrong I love you  
But does that mean I have to meet your father?  
When we are older you'll understand  
What I meant when I said "No,  
I don't think life is quite that simple"

"chorus:  
When you walk away  
You don't hear me say please  
Oh baby, don't go  
Simple and clean is the way that you're making me feel tonight  
It's hard to let it go"

The daily things (like this and that and what is what...)  
That keep us all busy  
Are confusing me that's  
When you came to me and said,

Wish I could prove I love you  
But does that mean I have to walk on water?  
When we are older you'll understand  
It's enough when i say so,  
And maybe somethings are that simple

"chorus:  
When you walk away  
You don't hear me say please  
Oh baby, don't go  
Simple and clean is the way that you're making me feel tonight  
It's hard to let it go"

Hold me  
Whatever lies beyond this morning  
Is a little later on  
Regardless of warnings the future doesn't scare me at all  
Nothing's like before

"repeat chorus"

Hold me  
Whatever lies beyond this morning  
Is a little later on  
Regardless of warnings the future doesn't scare me at all  
Nothing's like before
