

Uwritten Law, You're my angel

Looking into your eyes
I see all I want to be
and i don't want it to end
if I could only put to words the way
I see you
I only know i had an angel with me now
and when I fall asleep
you're all that I see
you're in my thoughts
and all of my prayers
I wish I could be
all that you mean to me
my angel without wings
my angel
I wish you could see
all that you mean to me
but i can never find the words
to tell you
And when I fall asleep
you're all that I see
you're in my thoughts
and all of my prayers
I wish I could be
all that you mean to me
And when I fall asleep
you're all that I see
you're in my thoughts
and all of my prayers
I wish I could be
all that you mean to me
