

# Vader, As Heavens Collide...

Damnation marches in,  
Apocalypse fortold by myths,  
Earth's realm ends in pain,  
As the rivers run red,  
With the blood of the suffering,  
Humanity punished for all its sins.  
Bow Down...As the heavens collide  
Bow Down...For the sins of the flesh  
Religion, as opium to mankind,  
Oppressed by myths and lies,  
All bibles, written by the human race  
Institutions for the sheeps.  
For the spirit outlives the flesh,  
No God will keep us crawling,  
See through the book of lies,  
Mankind, the seed of the World  
Bow Down to none...As the skies stay clear  
Bow Down to none...For no God is greater then YOU !!!
