

# Vanessa Carlton, Wanted

I have wandered, far and wide  
for something real, some thing to die for  
but I have found you, and you do not see  
All that is me, all that is true

I am more than you will see,  
I am more than you will need,  
I am more than you will see,  
More than wanted

As you float the flimsy surface  
You should know life lies beneath it  
And don't pretend you feel what I feel  
You live illusion and I'm real

I am more than you will see,  
I am more than you will need,  
I am more than you will see,  
More than wanted...

I know, I know  
You like the way you feel  
When I play

I know, I know  
You don't really hear  
What I say

I know, I know  
You are waiting  
For something to raid

I know, I know  
You wish you could be  
More than you say

I have wandered, far and wide  
for something real, some thing to die for  
but I have found you, and you do not see  
All that is me, all that is true

I am more than you will see,  
I am more than you will need,  
I am more than you will see,  
More than wanted

I am more than you will see,  
I am more than you will need,  
I am more than you will see,  
More than wanted  
More than you'll love  
More than you'll hate  
More than you'll hold  
More than wanted  
More than you'll crave  
More than you'll cherish  
More than you'll have  
More than wanted.
