

Vanessa Williams, April Fools

In an April dream, once you came to me
When you smiled I looked into your eyes and I knew
I'd be loving you and
Then you touched my hand
And I learned April dreams can come true
Are we just April fools
Who can't see all the danger around us?
If we're just April fools I don't care
True love has found us now
Little did we know where the road would lead
Here we are a million miles away from the past
Traveling so fast now
There's no turning back if our sweet
April dream doesn't last
Are we just April fools
Who can't see all the danger around us?
If we're just April fools I don't care
True love has found us now
Are we just April fools
Who can't see all the danger around us?
If we're just April fools I don't care
True love has found us now
Are we just April fools
Who can't see all the danger around us?
If we're just April fools I don't care
We'll find our way somehow
No need to be afraid
