

# Various, Another Sad Song

You've got to trust your instict  
And let go of regret  
You've got to bet on yourself now star  
'Cause that's your best bet  
Watch me now with a wicked and a wild and I said  
We come with the funky style  
That gets us known for the show  
And we'll mix the hip hop reggae if we say it is so  
And fuck the naysayers 'cause they don't mean a thing  
'Cause this is what star we bring  
Now it's morning but last nights on my mind  
There's something I need to get off my chest  
And no matter what may come to shine  
The dream will always be mine  
All mixed up you don't know what to do  
Next thing you turn around and find the person is you  
Thought a freak might be the thing  
But the first may be the last so just get off your ass  
All mixed up you don't know what to do  
Next thing you turn around and find the person is you  
Thought a freak might be the thing  
But you know this will pass so just get off of your ass  
You've got to trust your instinct  
And let go of regret  
You've got to bet on yourself now star  
'Cause that's your best bet  
Watch me now with a wicked and a wild and I said  
Sick sick bit got to have it  
Like bustin' in on a session but you got to call it quits  
Sick sick bit just can't quit  
Fact that you don't even know makes it fully legit  
Now it's morning but last nights on my mind  
There's something I need to get off my chest  
And no matter what may come to shine  
The dream will always be mine  
You keep me coming  
That is a gal that'll kill 'dem stunning  
Keep me coming  
That is a gal that'll kill 'dem stunning  
Keep me coming  
That is a gal that'll kill 'dem stunning  
Keep me coming  
That is a gal that'll kill 'dem stunning  
You make me nervous throat dry  
My brain is empty don't know why  
But I saw you doing something  
Which is really truly nothing  
But you could bust me out all day  
Many moons since first I saw you  
Many moons since first we did the do  
Many moons since first I saw you  
Many moons since first we did the do  
And why did I try when I knew it was no and  
Why did I try when I saw it was so  
But save it for late we should just let it skate  
'Cause the waiting feel is fine
