

Verona, Do You Really Wanna Know

You don't know how to say hello
Is that your way to let me know
I'm your fantasy
Too shy to look me in the eyes
How come you're tellin' other guys
You're so close to me

The way you talk
Your smile, your walk
So helpless
Let's get it on
Before I'm gone
Just confess

Do you really wanna know me
Own me
Don't waste no time
Do you really wanna know me
Show me
What's on your mind
Do you really wanna know
Na, na, na, na, na
Na, na, na, na, na
Do you really wanna know
Na, na, na, na, na
Na, na, na, na, na

Only the strongest can survive
You tell yourself from 9 to 5
That you got it all

Let's stop this game of hide and seek
Cuz you don't wanna be too weak
So break down the wall

The way you talk
Your smile, your walk
So helpless
Let's get it on
Before I'm gone
Just confess

Do you really wanna know me
Own me
Don't waste no time
Do you really wanna know me
Show me
What's on your mind
Do you really wanna know
Na, na, na, na, na
Na, na, na, na, na
Do you really wanna know
Na, na, na, na, na
Na, na, na, na, na
