

# Vicci Martinez, Come Along (ft. Cee-Lo Green)

Play with it while you have hands  
Dust settles, cities turn to sand  
Trespassing this is their land  
Time flies, make a statement, take a stand

Come along now, come along with me  
Come along now, come along and you'll see  
What it's like to be free  
Come along now, come along with me  
Come along now, come along and you'll see  
What it's like to be free

Come along now, come along with me  
And I'll ease your pain  
Come along, come along with me  
And lets seize this day  
Come along, come along with me

[Cee-Lo Green:]  
Stay out stay clear but stay close  
Friends, foes, God only knows  
Lets be the thorn on the rose  
Time flies, make a statement, strike a pose

Come along now, come along with me  
Come along now, come along and you'll see  
What it's like to be free  
Come along, come along with me  
Come along now, come along and you'll see  
What it's like to be free

Come along now, come along with me  
And I'll ease your pain  
Come along, come along with me  
And lets seize this day  
Oh, come along with me

Time flies, make a statement, take a stand  
Time flies, make a statement, take a stand  
Time flies, make a statement, take a stand  
Time flies, take your chance

Come along now, come along with me  
Come along now, come along and you'll see  
What it's like to be free

Come along now, come along with me  
And I'll ease your pain  
Come along, come along with me  
And lets seize this day  
Oh, come along with me
