

Victoria Monét, Nothing Feels Better

Sometimes I don't know if I tell you enough
But I want you to know, you make life better
I wonder if forever is even enough
It's a feeling I just can't measure

Baby, nothing, nothing feels better than loving you, you
I'ma tell you, nothing (Mhm)
Nothing feels better than loving you, you, you
Nothing in this world could feel much better than loving you
Better than loving you, you
Nothing in this world could feel much better than loving you
Better than loving you, you (Mhm)

My little sunshine, the best I've ever done
You're everything I've ever hoped for, wrapped up into one
Oh, I can see my whole world in your eyes and it makes me want to cry
Because I'm just so happy that you're mine

Baby, nothing, nothing feels better than loving you, you
I'ma tell you, nothing (Mhm)
Nothing feels better than loving you, you, you
Nothing in this world could feel much better than loving you
Better than loving you, you
Nothing in this world could feel much better than loving you
Better than loving you, you (Loving you)
