

# Victory, God Of Sound

Out in the timeless zone  
Where the music drones  
People freaking out  
Around the clock  
From dawn to dawn  
When the city sleeps  
You can live your dreams  
In a place where you taste  
The cream of life beyond

You get up get down  
To the groove above the clouds  
Reaching for the rainbows  
In the moonmans work of art  
Life without a limit  
You can feel the spirit here  
Wish you were near  
I wish you were here to witness  
The mystic atmosphere

Dance to the rhythm  
- rhythm of the night  
Spinning out to space  
When the god of sound is watching you  
And you feel his power coming through  
Time after time  
From the master divine  
When the god of sound is watching you  
Dance!

When the eternal light  
Zaps through your mind  
And the soundsystem rocks you to paradise  
In the church of noise  
Where the only choice  
Is to open the door  
That will really change your life

You get up get down  
To the groove above the clouds  
Reaching for the rainbows  
In the moonmans work of art  
Life without a limit  
You can feel the spirit here  
Wish you were near  
I wish you were here to witness  
The mystic atmosphere

Dance to the rhythm  
- rhythm of the night  
Spinning out to space  
When the god of sound is watching you  
And you feel his power coming through  
Time after time  
From the master divine  
When the god of sound is watching you  
Dance!
