

# Viki Gabor, Delayed Reaction

Uh, now you got me like  
I got it bad tonight  
Uh, now you got me like

You told me I'm the one, two, three, four times  
I'm your type, yeah yeah  
Put me at the top of your list  
You said nothing can change your mind

You want as your girlfriend, girlfriend  
But I don't need a boyfriend, boyfriend, no  
Said I'm not the one, two, three, four times

I know I said I didn't want, didn't want you  
But you be looking better  
Now you're in my rear view  
How did I miss all this  
I want it back, look what you did  
You give me that, you give me that  
Delayed reaction

Uh, now you got me like  
I got it bad tonight  
Uh, now you got me like  
(Na, na, oh yeah)  
Delayed reaction

Uh, now you got me like  
I got it bad tonight  
Uh, now you got me like  
(Na, na, oh yeah)  
Delayed reaction

There's something 'bout you  
Now I see you with someone else  
I never thought it hit me but it did  
And now it hurts like hell  
I told you to drop it and leave it  
You moved on you made it, look easy  
There's something 'bout you  
Now I see you with someone else

I know I said I didn't want, didn't want you  
But you be looking better  
Now you're in my rear view  
How did I miss all this  
I want it back, look what you did  
You give me that, you give me that  
Delayed reaction
