

# Village People, Samantha

Baby, my will is wearin' thin, the walls are closin' in  
I need you baby  
My heart's about to break, it's cruel to make me wait  
Come to me baby  
We're movin' through the night, a symphony of flight  
Fly with me baby  
You wanna see me cry, oh can't you see me, I  
I need you now-ow, I need you now-ow

Sa-sa-sa-sa-sa-Samantha  
Your golden tresses feel like silk on my face  
Sa-sa-sa-sa-sa-Samantha  
We're gonna be just great  
Sa-sa-sa-sa-sa-Samantha  
I like that wiggle that you got in your jeans  
Sa-sa-sa-sa-sa-Samantha  
You cast your spell on me

Baby, it's passion by design, with candlelight and wine  
I want you baby  
It's very clear to me, my love is what you need  
Oh yes you do, you know you do-oo-oo

Sa-sa-sa-sa-sa-Samantha  
Come lay beside me by the fireside  
Sa-sa-sa-sa-sa-Samantha  
It's gonna be alright

Everybody, everybody knows that  
You're the hottest thing in town - Samantha  
Everybody, everybody knows that  
I am gonna track you down - Samantha

Sa-sa-sa-sa-sa-Samantha  
I want to kiss you like you've never been kissed  
Sa-sa-sa-sa-sa-Samantha  
I never felt like this, Oh...

Baby, I need you now-ow-ow  
Sa-sa-sa-sa-sa-Samantha  
I'm like a baby in a candy store  
Sa-sa-sa-sa-sa-Samantha  
Come in and close the door  
Sa-sa-sa-sa-sa-Samantha  
I'll show you my emotion  
Sa-sa-sa-sa-sa-Samantha  
My love won't be denied  
Sa-sa-sa-sa-sa-Samantha  
Say yes and follow me to paradise
