

VINCE GILL, Sweet Augusta Darlin'

She holds me when I'm sleepin'
She wakes me with a kiss
She is the only woman
My heart cannot resist

[Chorus:]
My sweet Augusta darlin'
Comes from those Georgia pines
My sweet Augusta darlin'
The one true love of mine

She whispers that she loves me
She knows I feel the same
I thank the Lord above me
When I hear her call my name

[Chorus]
We'll praise this perfect union
We'll watch the years go by
We'll be such sweet companions
Until the end of time

[Chorus]
My sweet Augusta darlin'
The one true love of mine
