

VinylShakerz, Hypnotic Tango

Look on the floor and all is spinning around,
Someone told me this was just a dance,
And take a chance ain't met before,
do you think I really have a chance?

Hypnotic Tango

Hypnotic tango for you and me

Hypnotic tango for you and me

Look on the floor and all is spinning around,

Someone told me this was just a dance,

And take a chance ain't met before,

do you think I really have a chance?

Tango, tango
