

# Violent Femmes, Special

&quot;You smile,  
because you know.  
You smile,  
because you know.  
You smile,  
I told you so.  
Come on give me a smile,  
I'm gonna let you know.  
You're something special,  
You're something special,  
You're something special to me,  
You're something special.  
Your mama don't lie.  
Your papa don't lie.  
Your mama don't lie.  
Your papa don't lie.  
All of the GOOD THINGS they said about you!  
They said you were my love,  
I think it might be true!  
You're something special  
You're something special to me  
You're something special  
Special special what do you get?  
Another day older and deeper in debt  
Special special what do you get?  
Another day older and deeper in debt  
Get away from me...  
Im gonna hurt somebody...  
Get away from me...  
Im gonna hurt somebody...  
I...I... I dont really wanna hurt nobody  
But sometimes I just gotta hurt somebody  
Cause people are... dangerous  
And people are... mysterious  
And people are... adventurous  
And people are... childish  
And people are... ridiculous  
And people are... suspicious  
Of somebody who's SPECIAL  
Special  
Whats so special about him?  
Whats so special about him?  
You smile  
Because you know  
You smile  
I told you so  
Come on give me a smile im gonna let you know  
Youre something special  
Youre something special to me  
Youre something special  
Youre something special to me  
Youre something special  
Special special what do you get?  
Another day older and deeper in debt  
Special special what do you get?  
Another day older and deeper in debt&quot;
