## Violet Indiana, Poppy

Wake up dreamer, Sunshine forever, Closeness... openness Safe here for both of us

You're the purest feeling so gentle and fine, Sweet and gorgeous, and I know you're mine,

Shelter you, protect you, enjoy you, explore you, My love, is for you, you know how much I adore you,

You're the purest feeling, so gentle and fine, Sweet and gorgeous, oh and I know you're mine,

You're the purest feeling, Oh I want you to be mine, Sweet and gorgeous, oh I adore you, Would you really be mine?

Your tears can dry now, My eyes won't cry now, Those years behind us, Another love has found us,

Sweetheart
