## Vision Of Disorder, Itchin' To Bleed

I had a reason but you know That I will give it away. Another morning just another fucking Kick in the face. You all been trying just to rape me Of the things that I got. Want to test me, Don't test me.

## (Chorus:)

I'll bash the walls out nightly Cause i've been itchin' to bleed. Yeah Jesus oh blessed Jesus. When you been there for me.

(Verse Repeats) Want justice, here is justice.

## (Chorus:)

I'll bash the walls out nightly Cause i've been itchin' to bleed. Yeah Jesus oh blessed Jesus. When you been there for me.

Won't you give me a reason To keep living. In this sadness.

You've been taking over. Man you should have seen. You've been taking over. I believe...

## (Chorus:)

I'll bash the walls out nightly Cause i've been itchin' to bleed. Yeah Jesus oh blessed Jesus. When you been there for me.

I've been so down. Waste me
