

Visions Of Atlantis, Lemuria

Ancient stories of a mystic landscape
On the surface of the oceans pride
The legend lives
Fog surrounded in the misty moonlight
Mighty waves are pounding at its coast
Like thunderbolts

Howling whirlwinds roaring through the skies
Eternally
Earthquakes shakes its mighty ground
A natures blast
Lightning strikes are brightening up the nights
Across the sky
Dropped by oceans endless might
Drowned in the sea

Destiny, ground of the sea
A land in my fantasy
Still I can feel
Time will reveal - Lemuria

Magic visions of a perfect land
So glorious
Burning deep inside my mind
Seen in my dreams
Hope and peace there is no death, no war
No senseless pain
Take me to my sanctuary
Lemuria

Destiny, ground of the sea
A land in my fantasy
Still I can feel
Time will reveal - Lemuria

Destiny, ground of the sea
A land in my fantasy
Still I can feel
Time will reveal - Lemuria
