

# Visions Of Atlantis, Pharaoh's Repentance

For all my debts I have to pay  
Remains for me now to explain  
For every tortured soul to pray  
a murderer till my last day

Bells are ringing, day has come  
for me and all my greedy sons  
for every cruelty to atone  
Eternal flames - my home

No release  
from the sins he made  
Repentance now  
for him comes too late

His only wish  
to turn back time  
and never get into this crime  
reign with heart instead of blood

Revenge is written in their eyes  
to end my reign and stop my lies  
to spill my blood over my throne  
and burn down all I've ever owned

Isis, Osiris all the gods  
there's no excuse for my own faults  
no one to blame instead of my  
sentence already signed

No release  
from the sins he made  
Repentance now  
for him comes too late

No release  
from the sins he made  
Repentance now  
for him comes too late

His only wish  
to turn back time  
and never get into this crime  
reign with heart instead of blood
