

Voices United for Mali, Mali-ko (Peace / La Paix)

It's time for? us to speak out
It's time for us artist to speak about our land, Mali
It's time for us to speak out
Maliens, lets give our hand to each other

This country is not a warlike country
Maliens, lets give our hand to each other
What happen in Mali?
Would it seems that we are killing each other,
To betray each other, to divide ourselves,
Let's not forget we all have the same blood,
