

VOODOO CIRCLE, Devil With An Angel Smile

Baby, Baby, you're so fine
Baby, Baby, you're all mine
She's a devil with an angel smile
Baby, take you down the aisle

Baby you're so fine, Baby you're all mine

She's so fine
She's so mine
She's so fine
She's a devil with an angel smile, angel smile, Babe Babe, you're all mine

Honey, gimme that angel smile
Sugar sweet, like a little wild
Cannot wait to hold you tight
Baby, it feels so damn right

Baby you're so fine, Baby you're all mine

She's so fine
She's so mine
She's so fine
She's a devil with an angel smile, angel smile, Babe Babe, you're all mine

Baby you're so fine
Baby you're all mine

I'm losing control
Uh Yeah Uh Yeah
