

Waco Jesus, The Consequence Of Your Ignorance

The weight of the world is about to f**king become, lighter by the hour, as I waste these motherf**kers I don't need a scapegoat no f**king alibi, I had to murder them, every last one of them they can putrify in my piss, I take no shit I f**king eat they were born to die I was born to pulverize any time any place right f**king here right f**king now I'll beat it through your thick skull I'll beat you to a f**king pulp you want a f**king war you got a f**king war the only way around me is to go directly through me suffering the consequence of your f**king ignorance you want to f**king know what drives my impulses to deliver a lethal blow to this f**king world... ignorance f**k humanity it's f**king mind-blowing all you motherf**kers are my enemy... Enemy the weight of the world is about to f**king become lighter by the hour as I waste these motherf**kers they can putrify in my piss I take no shit I f**king eat it they were born to die I was born to pulverize zero intelligence your head is full of shit it opened it with my fist adrenaline in control pumping through my veins I smash your f**king face (Repeat) I want your ass in agony suffering is mandatory what comes around goes around you ain't talking shit now any time any place right f**king here right f**king now I'll beat you to a f**king pulp.
