

# Walk Off The Earth, Bet On Me

You should bet on me  
Like I'm Apple in the '90s  
You should bet on me  
Gonna wanna get behind me like I'm 23 (good)  
Before Mikey was on Nike's  
You should be-be-be-bet on me (woo-oooh)

Run like a stallion (ya)  
Chase your legacy (be-be-be-bet on me)  
Keep it a thousand  
Self-made with no pedigree (baby, bet on me)

Let 'em see you smiling on the front pages  
Mama, I made it, look at, look at me (all eyes on me)  
Smiling 'cause it's contagious  
Do it for the haters, make 'em lose sleep (let's go)
